- See-through Combination ID Window

OVERVIEW

This WA-6212-13 WENGER Single Port Combination Security Cable Lock is the latest in locking technology. This locking device will allow you to lock to the Parallel, VGA, Serial or DVI screw ports on notebook computers, VGA projectors and desktop systems. Please read this manual thoroughly and follow the instruction procedures to prevent any damage or harm to yourself.

Functions:

INSTALLATION

Setting and Changing Combination:

1. The factory has pre-set the code to 0-0-0-0. New code must be set while unlocked.
2. To set a new code, push the cable inward towards the lock and hold. Turn the combination wheels until the new desired code appears in the ID Window. **(1)** Release cable.

Securing around a fixed object:

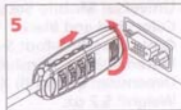

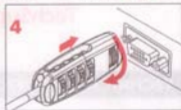

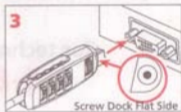

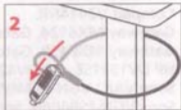

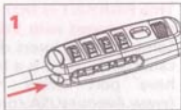

1. Take the looped end of the cable and wrap it around an immovable object.
2. Feed locking mechanism through the looped end of the cable and lock to computer. **(2)**

Locking the Computer:

1. Face the lock ID window towards you while aligning the flat side of the lock's screw dock to the left side of the parallel, VGA, serial or DVI port. **(3)**
2. Push the lock inward over the port screw hole firmly, while turning Thumb wheel clockwise until tightened. **(4)**
3. Release the inward pressure on the lock then turn the combination number dials off the secret code. The lock is now successfully locked. *(NOTE: Thumb wheel will spin freely when no pressure is applied.)*

Unlocking the Computer:

1. Enter the correct combination.
2. Push and hold lock inward while turning thumb wheel counter-clockwise until lock is removed. **(5)**

TROUBLESHOOTING

THIS PRODUCT IS NOT COMPATIBLE with computers or other devices not equipped with VGA, parallel, serial or DVI port **SCREW HOLES**.

Some manufacturers do not provide port screw holes for the actual cable ports. Here is a list of known notebook computers that do not have port screw holes or you may check our website (www.AvenuesUSA.com/Wenger) for non-compatibility updates.

LIMITED WARRANTY:

This product is warranted to be free from manufacturing defects for a period of 1 year from the original date of consumer purchase. This warranty is limited to the repair or replacement of this product only and does not extend to consequential or incidental damage to other products that may be used with this unit. This warranty is in lieu of all other warranties express or implied. Some states do not allow limitations on how long an implied warranty lasts or permit the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific rights, and you may also have other rights which vary from state to state. If unit should prove defective within the warranty period, return prepaid with dated proof of purchase to:
